STATEMENT OF THE SUBSTANCE OF INTERVIEW

TO THE COMMISSIONER FOR PATENTS:

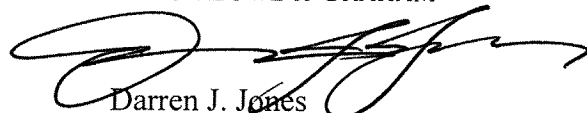

A telephone interview with Examiner Ruhl took place on May 2, 2006 for the above-referenced matter. Amendments to the claims were discussed and agreed upon during that interview. The following is the substance of that interview.

“The Examiner called Applicant’s counsel to propose that the language ‘non-alphanumeric pictorial symbols’ in claims 15-20 be changed to ‘geometric shapes’. This was due to a concern that the scope of the language ‘non-alphanumeric pictorial symbols’ was not supported by the specification as originally filed and would be new matter. Agreement was reached and the language at issue is changed to ‘geometric shapes’ in the Examiner’s amendment of May 2, 2006, ”

Applicant respectfully requests that the substance of the interview of May 2, 2006 be made of record for the above-referenced matter.

Respectfully submitted,
